(A Program of LOFT  
Community Services)

S.O.S. is out on the streets six nights a week from 6 p.m. to midnight, connecting with youth who may benefit from our services.

We invite youth under the age of 25 to call us or drop by if they need help. At 622 Yonge we provide a number of services that are accessible to any young people who need or want them.

We also operate a youth co-op which provides a safe living situation where youth can take a break from the street and refocus their lives.
